Zoning Grandfathered Request Form Walker Schools Grades 6th – 8th

Starting in August 2020 the incoming freshman in the Walker attendance zone will attend school on Walker High School's campus. The current Walker Freshman High campus will be converted to Walker Junior High School. This new campus will help to reduce the number of students on each junior high campus in the Walker district. Due to the additional campus, attendance zones have changed.

Students currently enrolled in 7th grade have the option to continue enrollment at the current school to complete the 8th grade year, but transportation **will not be provided**. Please note: This applies **only** to current 7th graders. If the current 7th grader has sibling(s) enrolled in 6th grade at the same school, then he/she/they can stay as well.

I understand that if my child _____ remains at
